CLOSING ON LADYSMITH

AN ATTACK IS EXPECTED SOON.

The Boers have mounted two big
guns on Tintal Ingoni, 4500 Yards
from The British Camp.

Ladysmith, October 29 7 p.m.—The
Boers are gradually closing around
Ladysmith. They have mounted
two big guns on Tintal Ingoni, 4500
yards from the British camp. An
attack is expected.

Ladysmith, October 29, 5 p. m.
—Everything has remained quiet
here today and the water supply is
being renewed. A number of resi-
dent civilians have been ordered to
leave the town under penalty of
arrest.

Lieutenant Meiklejohn of the
Gordon Highlanders, who was
wounded at Elandslangte in the
arm, is suffering amputation of the
member.

MAFeking SHELLED.

Cape Town, October 29.—A dis-
patch from Mafeking dated October
24 says: "A bombardment of the
city was commenced by the Boers
at 7:40 o'clock this morning from a
range of two and a half miles by a
battery of three Krupp guns, throw-
ing seven, nine and twelve pound

explosive shells.

"At the beginning the marksmanship
was erratic, but ultimately the
gunners got the range and sent a
number of shells into the town.

Comparatively little damage was
done. A convent which had been
converted into a hospital was the
chief sufferer, three of the shells
striking the building. There were
no casualties.

"The British returned only one
shot, which being well directed,
disabled one of the enemy's guns.

"After three hours the Boers sent
an envoy to ask if the town was
prepared to surrender. Colonel
Baden-Powell replied in the nega-
tive, but the shelling of the town
was not resumed."

SECOND BOMBARDMENT OF MAFERING.

Mafeking, October 24, via Cape
Town, October 29.—In a skirmish
outside the town last night, Com-
mander Sydney Webb was wounded.
The Boers are reported to have
twelve guns north of the town and
a second bombardment is on.

TOOK THE WATERWORKS.

Cape Town, October 29.—A later
dispatch from Mafeking dated Oc-
tober 24, says: "The Boers are in
possession of the waterworks and
have cut off the supply. This oc-
casions no anxiety, because ample
supplies are available in tanks and
wells."

"THE OLD FARMHOUSE ON
THE HILL."

We have just received a copy of
this beautiful home song, one of the
greatest ever written, and it can be
played either on the piano or organ.
The words and music are by Mr.
J. W. Lerman, the composer of the
now famous "Conchies-Conchies
Dance." The song is being sung
in all the large theatres in the cities
of New York, Chicago, Boston, Phil-
adelphia, etc., and it is received with
great applause and making a de-
cided hit.

FIRST VERSE.

There's a farm house I remember,
'Twas my childhood's happy home,
And I'll never forget its scenes while
life shall last.
Oh I often wish that I could cross
its threshold as of yore,
And live the life once more that now
is past.
With father kind and gentle, and dear
sister mother, too,
Who always tried their duty to fulfill,
I would that I were young again now
had them with me now
In that dear old roomy farmhouse
on the hill.

CHORUS.

To me it was a place of grandeur and
joy,
I loved it when a child, I love it still,
And no greater joy I know than to
visit once again
And live within that farm house on
the hill.

The regular price of this song is
50 cts., but if our readers will be sure
to mention the name of this paper,
they will receive a copy by sending
15 cents to the Union Mutual Music
Co., No. 24 East 14th St., New York.
